OPPORTUNITY TO BE A PART OF THE INITIATIVE TO PROMOTE

Electronics System Design & Manufacturing (ESDM)

ENGAGEMENT OF CONSULTANTS IN PMU FOR ESDM

The Electronics System Design and Manufacturing (ESDM) Promotion Programme of Department of Electronics & Information Technology (DeitY), Government of India seeks to radically change electronics hardware manufacturing in the country by increasing value addition, encouraging technology development and Indian IP creation with a view to create domestic manufacturing capacity of USD 400 Billion in next 10 years. The programme covers aspects such as market assessment, policy formulation and implementation, investment promotion, skills development etc.

For this task, applications are invited in the Prescribed Format for the position of Sr. Consultants and Consultants in the Programme Management Unit (PMU) at the Department of Electronics & Information Technology, New Delhi.

Those driven by passion and a strong urge to drive change are invited to apply for positions in the PMU. The work promises stimulating environment, excitement of change and a wide National canvas for showcasing capabilities!

Scope of Work

Scope of work includes support formulation and implementation of policies and guidelines for schemes related to promotion of ESDM sector, techno-commercial evaluation of DPR/ project proposals received and recommending financial incentives, responsibility for Tendering/ selection for Government procurement of services including creation of DPRs / RFPs / EOs / Contracts, etc. Assist in organizing government approvals, and coordinating with internal and external stakeholders; identifying trained manpower requirements in ESDM sector, mapping of the existing educational infrastructure against requirements, identifying gaps to develop action plans to achieve capacity building targets and developing communication plans and executing brand building initiatives that support the short and long-term objectives of the programme.

Eligibility: B. Tech/ CA/ MBA/ equivalent degrees from a premier institution with experience in above areas.

Years of Experience: 8+ years, for Consultants and 12+ years of experience for Sr. Consultant. It may be relaxed in deserving cases.
